Mark,

I will provide the following statement:

Senate Bill 150, commonly known as the "Parental Rights Bill", was passed by legislators, vetoed by the governor, and overridden by the Senate and House on 3/29/23. This bill requires parental consent for:

- Mental health counseling related to human sexuality;
- Gathering certain survey information from students for research purposes;
- Instruction through curriculum or programs on human sexuality or sexually transmitted diseases (grades 6 or above).

The bill also states, "Any child, regardless of grade level, enrolled in the district does not receive any instruction or presentation that has a goal or purpose of students studying or exploring gender identity, gender expression, or sexual orientation."

In response to guidance provided by the Kentucky Department of Education, we reviewed current courses, programming, instructional resources and learning experiences to ensure compliance with the law (SB 150) including, but not limited to, health education curriculum, Advanced Placement coursework, dual credit courses and extracurricular activities. This was accomplished through a collaborative effort that included all school library media specialists, legal council, and our district leadership team. Our school library books and programs are considered instructional resources, and are made available to support the grade-level standards being taught. School libraries are instructional support entities within our school. As such, school libraries operate differently than a public library system.

As you may find in your research, this bill could continue to evolve. As a state public school, we are obligated to implement the law and we will respond if there are changes to the legislation.

Below you will find the

bill: <https://apps.legislature.ky.gov/recorddocuments/bill/23RS/sb150/bill.pdf>

In Boyle County Schools, we teach rigorous grade-level state standards, and offer a variety of instructional programs and opportunities for our students. We will continue to give students the best education and opportunity possible.

Thanks,

Mark Wade

Mark,

On April 27, 2023, district leadership contacted KDE and inquired if SB 150 included library resources. KDE responded that they had no guidance on library resources and gave this link that directs schools to work with instructional leaders and consult with the board attorney concerning this law. [https://education.ky.gov/districts/LegislativeGuidance/Documents/2023\\_Legislative\\_Guidance-Emergency\\_Bills.pdf](https://education.ky.gov/districts/LegislativeGuidance/Documents/2023_Legislative_Guidance-Emergency_Bills.pdf)

The link provided above was given directly from KDE. Again, it was reviewed with district leadership and the board attorney. From this document:

"If school districts choose a policy pursuant to SB 150 that, "[a]ny child, regardless of grade level, enrolled in the district does not receive any instruction or presentation that has a goal or purpose of students studying or exploring gender identity, gender expression, or sexual orientation," instruction through curriculum or programs on human sexuality or sexually transmitted diseases at all grade levels will be impacted. Furthermore, this policy impacts not only instruction, but also "presentations." If this policy is selected by districts, they should review current courses, programming, instructional resources and learning experiences to ensure compliance including, but not limited to, health education curriculum, Advanced Placement coursework, dual credit courses and extracurricular activities. Some of these learning experiences may need to be altered or discontinued to comply with the district's selected policy."

We do our very best to follow laws and educate students.

Thanks,  
Mark Wade

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Thank you, Dr. Gibbs

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or

concerns.

Thank you, Dr. Gibbs

Stephanie,

It was great speaking with you just now! Per our conversation, we are all set for PSY 110 for Fall 2023. We will need to discuss what we can offer for you for Spring 2024 in lieu of PSY 110. We are also set with providing HUM 120 for dual credit.

Thank you for your patience!

Wendy
